THE VILLAGE IDIOT

All roads lead to the Net

If the medium is the message, what does it mean when the world is dominated by only one medium—the Internet—and, increasingly, only one media corporation—Google?

MARSHALL MCDONALD

HOW-TO PRIMER

Writing kindness

A new meta self-help book—a how-to guide to writing one—reduces all self-improvement tomes to a simple formula: Promise the world, deliver platitudes.

SHANE GURU-GANDHI

FOOTPRINT IN MOUTH

Eco-porn a pleasurable guilt

How often do we buy a book about how to change the world out of a vagues sense of doing something—only to have it develop it's own dust-mite eco-system on the shelf?

BY JANE DOE
